Independent Family Funeral Director

trustworthy and honest funeral plans

Your Questions Answered

WHAT IF I MOVE HOME? If necessary, your plan can be transferred to an Independent Funeral Director in that area. As funeral costs may vary, you will be advised of any difference in cost at that stage.

WHAT IF I CHANGE MY MIND? If you cancel your plan within the first month of you receiving your plan documentation you can return them for a full refund, no questions asked. After this time, your plan will be subject to an administration charge.

HOW DO I KNOW MY PLAN WILL BE SAFE? All payments are made directly to the Funeral Planning Company. The Trust's accounts are monitored by independent actuaries and checked by independent auditors.

CAN I PAY BY INSTALMENTS? Yes. Please ask for details. Payments by instalments may cost more than a single payment because of the additional administration involved. Should anything happen to you before completing all of the instalments payments, the funeral costs will not be redeemed fully, but in proportion to the payments made.

WHAT IF THE COST OF FUNERALS INCREASES? Due to inflation, the funeral costs will certainly increase. However, once you have purchased your pre-payment plan, everything specified in the plan will be provided for you without any additional costs to your family.

HOW DO I PURCHASE THIS PLAN? Discuss your individual wishes with us, including any additional contributions you would prefer to make. Ask us any questions you feel are relevant to your individual needs. Complete your application form with us.
